PTBI Symposium 2017

X Symposium of the Polish Bioinformatics Society

27 – 29 September 2017 | Uniejow, Poland

INVITED SPEAKERS

- Jacek Blazewicz, *Institute of Bioorganic Chemistry, PAS, Poland*
- Maciej Komosinski, *Institute of Computing Science, PUT, Poland*
- Dirk Labudde, *Bioinformatics and Forensics, HSMW, Germany*
- Thomas Villmann, *Computational Intelligence and Technomathematics, HSMW, Germany*

THEMES

PTBI Symposium 2017 seeks submissions that are relevant to the following themes.

- biomolecular sequence analysis
- comparative genomics
- metabolic network modeling and analysis
- modeling and prediction of gene patterns
- prediction and evaluation of protein and RNA structures
- microarray informatics
- protein-protein and protein-RNA interactions
- genetic networks
- analysis of genetic variations
- systems biology
- gene classification
- phylogenetics
- and other related topics.

KEY DATES

Call for submissions closes	05 June 2017
Authors notified on submissions	15 June 2017
Early Bird registration closes	30 June 2017
PTBI Symposium 2017	27-29 September 2017

PROGRAM AND ORGANISING COMMITTEES

Program Committee

- Marta Kasprzak (co-chair)
- Piotr Formanowicz (co-chair)
- Witold Rudnicki
- Agnieszka Rybarczyk
- Marta Szachniuk
- Paweł Wojciechowski

Organising Committee

- Marta Szachniuk (chair)
- Maciej Antczak
- Marcin Borowski
- Aleksandra Gruca
- Marcin Radom
- Karolina Zwiewka

CONTACT

For all enquiries regarding the conference, please contact: ptbi2017@cs.put.poznan.pl
